TSS - BUREAU OF THE BUDGET
Gibbons, [redacted] 1954-62 SECRET 25X1

[redacted] 25X1

Contains mostly memos recording meetings with Bureau of Budget and TSS answers to questions posed by BB and Congress. Also records meetings with PRC (should be trsfd to PRC file), Audit Report of 1962, statements by C/TSS on how duplication of R&D avoided, lists R&D projects (1957) in excess of $50,000 and copy of Cabell letr to DCI of 10 Apr 50 (copy to be provided CSG).

Comment: while this file is loaded with lean meat, it deals with a later period of TSD history, thus a detailed carding of the material will be postponed until we reach that period.
